This is a children friendly club so all levels are welcome. For the more advance players do not worry there are more then enough courts for all levels to be playing at the same time.

We encourage parents to join their children in the games.

We are also looking for members to form a club committee and to help with running the club.

### Facility:

- 6 courts wooden floor
- Feather shuttles provided
- Bring your own racquet but limited club racquets will be available for those who do not have one.
- Location building 17 on campus map on reverse.

# Campus Guide
